REMARKS/ARGUMENTS

Favorable reconsideration of this application, in view of the present amendment and in light of the following discussion, is respectfully requested.

Claims 1, 4-18, and 20 are currently pending in this application; no claims are amended or newly added; the specification is amended to address minor informalities.

In the outstanding Office Action, the application was indicated as in condition for allowance, subject to correction of minor informalities in the drawings. The present amendment addresses these objections in the manner requested by the Examiner. The specification is amended to include descriptions of reference numbers 60, 367a, and 416A depicted in Figs. 9, 13, and 14, respectively. A replacement drawing sheet including Fig. 17 with the term "Background Art" is also provided.

Consequently, in view of the foregoing discussion and present amendments, it is respectfully submitted that this application is in condition for allowance. An early and favorable action to that effect is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
